Work experience

Teaching assistant Sep 2024 - Present
Partium Christian University, Oradea

In my work, I conduct seminars and practical lessons, and I strive to participate as much as possible in activities related to education, including organizing professional practice sessions.

Research Assistant Jun 2024 - Sep 2024
National Strategic Research Institute (Nemzetstratégiai kutatóintézet), Budapest

I worked on a research project related to the light industry, mapping Romanian higher education institutions that offer programs connected to the light industry. Using my knowledge of Romanian, I corresponded with the administrative staff of these institutions and translated the obtained information into Hungarian. My tasks included data visualization, interpretation, and the preparation of a research report.

Social Worker Aug 2023 - Sep 2023
BTSZ (Baptista Tevékeny Szeretet Misszió), Gyula

I assisted in the supported housing of individuals with addictions, handled the administration of home care and social catering for the elderly, and helped with the administration and organization of group activities for people with addictions and mental illnesses.

Social Worker Feb 2023 - Jun 2023
Asociația Centrul Creștin Betania, Oradea

I maintained contact with beneficiaries, participated in counseling, contributed to administrative processes, organized health services, scheduled appointments, and collaborated with healthcare personnel.

Researcher Aug 2022 - Sep 2022
Szociográf Market and Public Opinion Research Institute, Pécs

I reviewed the core and economic activities of the market research company, the methods of obtaining contracts (public tenders, invitations for bids). I participated in fieldwork (personal and telephone interviews), familiarized myself with both qualitative and quantitative methods. I also learned the SPSS software package and wrote studies, and prepared presentations in PPT and Word formats.

Publications

In 2022, I published the article Analysis of Health Behavior Among High School Students (Egészségmagatartás a középiskolás fiatalok körében) in the Stafeta Journal (Partium

Press).

Conferences

I have participated in several conferences over the years:

At the first Partium Student Conference, my groupmate and I presented a joint research project, and we achieved 3rd place with our work.

In 2022, I presented another research at the Partium Student Conference, with which I earned 2nd place. I then presented this study at several conferences, including the National Student Conference, the Partium Conference, and the Creativity in Theory and Practice Conference.

In 2024, I participated in the Partium Student Conference with two papers, both of which were selected for the National Scientific Student Conference

Projects

Between April 1, 2021, and May 31, 2021, I participated in a project organized by the Max Weber Association, which was essentially a sociological research on disadvantaged groups living in Transylvania, primarily focusing on Roma communities. As a researcher, my task was to conduct interviews.
